

Break through your limits – Limits exist where human imagination ends.

Whether desert, jungle or mountain: Norman Buecher does not shrink from any challenge. The extreme sportsman and motivator proves this with his daring challenges: endurance runner Norman Buecher pushes his limits in his extreme runs. To perform at such a high level, extraordinary willpower and willingness to take risks are required. These characteristics make the extreme sportsman and runner of several ultra-marathons Norman Buecher, combined with his experience as an entrepreneur and business economist, a sought-after motivation expert.

Graduate in Business Administration, Sports Marketing Manager

Expertise: Motivational speaker, endurance runner, adventurer

PARTICIPANT FEEDBACK

„Norman Bücher captivated and enthused us with his authentic, engaging presentational style. He shared his experiences with us so that we could put them into practice in our own work and brought with him a wealth of wonderful ideas and tips. He and his presentation were pure motivation.“
