

### For living diversity that pays off!

Michelle Euzet stands for true and sustainable cultural change and diversity in companies. The Caribbean-born Frenchwoman's career has been marked by management positions in central marketing in B2B groups in the automotive supply and logistics sectors. For almost twenty years she held positions there as head of international change projects and in the line up to upper management. Today she dedicates herself to her heart's desire, the appreciative and value-creating cooperation in organisations. Her lever: diversity that pays off.

## LECTURES

- Make diversity your lever for business success!
- No culture change, no perspective!

## PARTICIPANT FEEDBACK

*"On the occasion of our Diversity Talk, Michelle gave an impressive and inspiring keynote speech on the topic "Cosmopolitan is not always open-minded. She gave her talk in an authentic, clear, fair and understanding way, putting her finger in the wound in a charming way. Above all, she enriched us with her manner and left us thoughtful, because the change in thinking must first occur in everyone themselves. The keynote had a lasting effect and enriched our subsequent conversations."*
